1) An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 15, line 1, replace "The" with - A -.

2) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not disclose: a pulp fiber having a particulate material attached thereto by a retention aid, said particulate matter being present in the amount claimed, and wherein the retention aid is a water soluble polymer (claim 1); a pulp fiber having a particulate material and a filler material attached to the fiber by a retention aid, said particulate matter and said filler material being different, and wherein the retention aid is a water soluble polymer (claim 8); a method of making a wet laid pulp product that includes coating fiber surfaces with a retention aid in the amount claimed, wherein the retention aid is a water soluble polymer, and then forming the fibers into a sheet (claim 15).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
